Camp Director

Carol Knerr, Amherst College Head Field Hockey and Assistant Lacrosse Coach, has been with the field hockey program for nine seasons, spending the last six as the head coach. She has accumulated a 79-59 career record in the highly competitive New England Small College Athletic Conference. Coach Knerr led the 2009 team to a 12-5 record and a #13 ranking in the Division III poll. She also led them to a NCAA Sweet 16 Tourney appearance and 11 of her players received conference and regional honors.

The Wyndmoor, PA native was a standout women's lacrosse and field hockey player at the University of Richmond, where she was a four-year starter and captain for both sports.

Ability Grouping & Training

To maximize growth, campers will be placed in appropriate groups according to ability, experience, age and camp composition. Each Revolution Camp incorporates the core components of hockey with advanced skills, as well as specific goalie training. Our staff will motivate campers to train at game speed and work to meet their goals. Stations, drills and small games will help each camper get better this summer!
