AMHERST COLLEGE
CERTIFICATION OF DOMESTIC PARTNERSHIPS

We, _____ and _____ ,
(Employee) (Employee's Domestic Partner)
certify that:

We are, and intend to remain, each other's sole domestic partner indefinitely; are jointly responsible for each other's common welfare and financial obligations; we have an exclusive mutual commitment to each other similar to that of marriage. It is our intent that substantially all property acquired or enhanced during our domestic partner relationship shall be considered joint property in the same manner as if we were married on the federal level.

We are over 18 years of age, mentally and legally competent to contract, not legally married to each other, not related by blood to any degree that would bar marriage in the state in which we reside; and neither of us is legally married to any other person nor has another domestic partner.

We reside together in the same residence, have done so for the last twelve (12) months, and intend to do so indefinitely.

We acknowledge that this Certification may create between us certain contractual rights and legal obligations; that any false statement in this Certification or related Certifications, or failure to notify Amherst College of a change in our relationship as agreed below, would be grounds for discipline of the employee by Amherst College, including termination of employment; and that we are liable for any losses incurred by Amherst College, insurance carriers or health or dental care providers as a result of reliance upon this Certification or related Certifications.

We agree that, upon request, we will provide Amherst College with evidence that the domestic partnership described in this Certification does exist (for example, joint ownership of a home or car, joint bank accounts or credit cards, etc.); and that we will notify the Amherst College Office of Human Resources within thirty (30) days of any change in our relationship that results in our relationship no longer meeting the requirements of domestic partnership set forth in this Certification.

We affirm, under penalty of perjury, that the assertions in this Certification are true to the best of our knowledge.
