I understand that:

- I received a student loan and must repay my loan on a timely basis as called for in the repayment/disclosure statement
- I must contact the College prior to the due date, if any payment cannot be made for any reason
- I must inform the College or billing agent immediately of any change in my name or address
- I must submit timely certification when requesting deferment, postponement, and/or cancellation benefits
- I may accelerate or make payments prior to the due date without penalty
- I may make payment in excess of the amount due. This can reduce the total amount of interest I will be required to pay over the life of my loan, but may not automatically apply to my next scheduled payment.
- I may be eligible to defer, postpone and/or cancel repayment of my loan. The appropriate form to request any one of these privileges can be obtained from the College or its billing agent.
- Provisions of my promissory note may allow for repayment of my loan in minimum monthly installments.
- My loan may be subject to late charges if payments are past due.
- I will be subject to paying total costs of collection and/or litigation if my account becomes past due and persists to be past due without appropriate arrangements to bring the account current.
- My loan will be reported to credit bureau organizations at disbursement and updated in the event I should enter default status.
- My loan payments and/or any communications regarding my loan account(s) upon separation from the college should be directed to the College's billing agent, AMS.
