**Special Features**
This insurance offering from your employer and MetLife comes with a variety of added features that can provide assistance to you and family members today and during a difficult time.

**Will Preparation Service:**†

*To ensure your wishes are fulfilled*

Like life insurance, a carefully prepared will is an important part of the financial planning process. Your will is an important legal document that determines who controls your estate after your death. With a will, you can define your most important wishes, including who will care for your children or inherit your property. Having a will can also minimize probate expenses that can result when a person dies without a will. By enrolling for Supplemental Life coverage, you will have access to a participating plan attorney who will prepare or update your or your spouse/domestic partner’s will at no additional cost to you.

**Portability:**‡

*So you can keep your coverage even if you leave your current employer*

Should you leave Amherst College for any reason, you can continue your life insurance coverage. Competitive rates apply, but will likely be higher than your current rates. MetLife will bill you directly. To take advantage of this benefit, you must elect coverage of at least $20,000 - Enhanced Portability.

**Accelerated Benefits Option:****

*For access to funds during a difficult time*

You can receive up to 80% of your Supplemental Life insurance proceeds to a maximum of $400,000 in the event that you become terminally ill and are diagnosed with less than 12 months to live. This can go a long way toward helping your family meet medical and other related expenses at this difficult time.

**MetLife Advice for Beneficiaries—Delivering the Promise®**

*For support and guidance when beneficiaries need it most*

MetLife Advice for Beneficiaries—Delivering the Promise® is a unique service designed to provide beneficiaries with the support and assistance they need during an especially difficult time. Services include assistance filing life insurance claims and consultation to help with the details and questions that arise upon the loss of a loved one.

**Waiver of Premiums for Disability:**††

*Offering continued coverage at no cost*

With this feature, your life insurance coverage can be continued at no cost to you should you become unable to work due to total disability.
Total Control Account®:
For immediate access to life insurance proceeds
The Total Control Account® Money Market Option provides your loved ones with a safe and convenient way to manage the proceeds of the policy when an insurance benefit is paid. They’ll have the convenience of immediate access to their proceeds through check-writing privileges, which relieves the plan beneficiary from having to think about how the funds will be disbursed during a difficult time. There are no service or check-writing charges, and the account is guaranteed by MetLife.

† Will Preparation is offered by Hyatt Legal Plans, Inc., Cleveland, Ohio. In certain states, legal services benefits are provided through insurance coverage underwritten by Metropolitan Property and Casualty Insurance Company and Affiliates, Warwick, Rhode Island. In certain states Will Preparation is subject to regulatory approval and is not currently available.

‡ If your term life insurance under this plan terminates, you will have an opportunity to continue group term coverage (“portability”). Subject to plan design and state availability.

** The Accelerated Benefits Option is subject to state availability and regulation. The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable federal tax treatment. If the accelerated benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation.

This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances.

Receipt of accelerated benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of accelerated benefits will have on public assistance eligibility for you, your spouse or your family.

†† Total disability or totally disabled means the employee’s inability to do his/her job and any other job for which he/she is fit by education, training or experience, due to injury or sickness. Provided the total disability begins before age 70, the Waiver of Premium benefit will waive premiums for your life insurance after 12 months of continuous disability. This benefit ends on the earliest of the employee turning age 70.
