WHO SHOULD USE FORM 200-21

This form is for applicants applying for EMT-Basic certification who are currently licensed/certified as an EMT-Basic in another state.

The candidate who holds a current EMT-Basic license/certification in another state, and took a state-approved practical examination in order to gain their EMT-Basic license/certification, will be required to take the written examination.

The applicant who was trained as an EMT-Basic in another state, or in military service, and wishes to become an EMT-Basic in Massachusetts based on “equivalent training”.

Applicants who are currently licensed or registered in Massachusetts as a physician, registered nurse, physician's assistant, or nurse practitioner, The candidate who does not hold a current EMT-Basic license/certification issued in another state, or who did not take a state-approved practical examination in order to gain their EMT-Basic license/certification will be required to complete the written and practical examinations.

ELIGIBILITY

OEMS will review and verify your eligibility to complete the examination. You will then be mailed an appointment notice for practical examination if you are required to complete a practical examination. Only those candidates who meet all of the eligibility requirements will be scheduled for the certification examination.

Applications will be returned to those candidates who are not eligible for testing. Please fill out both sides of the form completely and legibly. Sign and date the application form as testimony that all of the information presented is accurate to the best of your knowledge.

If you need to take a written examination only, or when you pass the practical examination, you will receive instructions for scheduling your written examination. The certification fee does not include the cost of the written exam.

A candidate for examination must hold a current EMT-Basic license/certification, a current BLS-CPR successful course completion certificate at the time of application and on the day of the written and practical examinations. Candidates are required to bring their current EMT-Basic license/certification, and CPR card to the examination(s).

A candidate, who is applying for Massachusetts's certification based on equivalent training, but not out-of-state licensure/certification as an EMT-Basic, must have documentation that the EMT training course was successfully completed no more than The Massachusetts Office of Emergency Medical Services receives one-year prior date application. The applicant must hold a current BLS-CPR successful course completion certificate at the time of application and on the day of the written and practical examination(s).

SCHEDULING OF EXAMS

Assignment for examination appointments is based on when OEMS receives your exam application, fee, and required and complete documentation. Examination appointments are made on a first come, first served basis, space available.

SUBMISSION OF APPLICATION AND FEE

The certification fee is $150.

Mail this application form, your fee, and the required documentation to Office of Emergency Medical Services, 2 Boylston Street, 3rd Floor, Boston, MA 02116.

The fee must be a check made payable to Commonwealth of Massachusetts. Fees are non-refundable.

Please recheck your applications for completeness and legibility. If your application is returned for ANY reason it will delay the scheduling of your examination.

EXAMINATION AVAILABILITY

It is your responsibility to keep the EMT-Basic Examination Administrator at OEMS informed, in writing, of your current mailing address. If you are unavailable to take the examination during certain dates or for a period of time (vacation, semester break, etc.), please notify OEMS in writing.
