## Completing IRS Form 1040NR-EZ for 2012

Note: If you had income other than wages and taxable scholarship (e.g., interest, dividends, capital gains), you must complete Form 1040NR, rather than Form 1040NR-EZ. In the following, references to comparable lines of Form 1040NR are given in parentheses.

### Form 1040NR-EZ, Page 1

- Enter your name and identifying number (social security number or Individual Tax Identification Number [ITIN]) at the top of the form.
- List your Amherst College address as the "Present home address" and "City, town or post office, state, and ZIP code" on the second and third lines. "Country" on the fourth line may be left blank or "U.S.A." may be entered.
- Boxes 1 and 2 (Form 104NR, Boxes 1-6, as appropriate). Check your filing status as "single" or "married," as appropriate.
- Line 3 (Form 104NR, Line 8). Enter the total of your "wages, salaries, tips, etc." (if any) reported in Box 1 of your W-2 form(s) for 2012.
- **(Form 1040NR, Lines 9a, 9b, 10a, and 10b.** Enter appropriate interest and dividend information.)
- Line 4 (Form 1040NR, Line 11). If you had a refund in 2012 from <u>state</u> taxes (not federal taxes) withheld in a previous year, enter the amount.
- Line 5 (Form 1040NR, Line 12). If there is a relevant tax treaty between your home country and the United States (see list on page 5), skip to Line 6. (See Form 1040NR, Line 22). Otherwise, determine the amount of taxable scholarship from Form 1042-S for 2012. Enter the amount from Box 2 ("gross income"). A copy of your Form 1042-S will suffice for the "explanation" to be attached.
- Line 6 (Form 104NR, Line 22). If there is no relevant tax treaty between your home country and the United States (your country is not listed on page 5), leave this line blank, and go on to line 7. If there is a relevant treaty, enter the amount from Box 2 of Form 1042-S, but not more than the "maximum amount" in the tax treaty listing. If the amount from Form 1042-S is greater than the maximum amount, enter the maximum amount in line 6 and any excess amount in line 5.
- Line 7. Enter the sum of lines 3, 4, and 5.
- Line 10 (Form 1040NR, Line 36). Repeat line 7.
- Line 11 (Form 1040NR. Line 38). If you had <u>state</u> and/or <u>local</u> income taxes withheld in 2012, enter the sum of the amounts from Form W-2, Boxes 17 and 19.
  - If you are a <u>resident of India</u>, note that a special tax-treaty provision allows students to subtract the "standard deduction" that usually applies to U.S tax residents. Enter the standard deduction amount (\$5,950 for a single person for 2012).
- Line 12 (Form 1040NR, Line 39). Subtract line 11 from line 10. If the result is negative, enter zero.

- Line 13 (Form 104NR, Line 40). Enter \$3,800 (the "personal exemption" for 2012).
- Line 14 (Form 1040NR, Line 41). Subtract line 13 from line 12. If the result is negative, enter zero.
- Line 15 (Form 1040NR, Line 42). Enter your income tax from the attached 2012 tax table.
- Line 17 (Form 1040NR, Line 60). Repeat line 15.
- Lines 18a and 18b (Form 1040NR, Lines 61 and 61b). Enter the sum of any amounts of U.S. <u>federal</u> tax withheld from wages (Form W-2, Box 2) in line 18a and from taxable scholarship (Form 1042-S, Box 7) in line 18b.
- Line 21 (Form 1040NR, Line 69). Enter the sum of lines 18a through 20.
- Line 22 (Form 1040NR, Line 70). If line 21 is greater than line 17, enter the difference of the entries for lines 17 and 21. Your tax payment (withholding) exceeds the tax on your income; you are due a refund. Proceed to lines 23a-23d.
- Lines 23a-23e (Form 1040NR, Lines 71a-71e). If you are due a refund, you may enter the requested information in items 23b, c, and d in order to have your refund deposited directly into your checking or savings account.

Sample Check-Lines 23b Through 23d

Note: The routing and account numbers may be in different places on your check.

If you have a refund due and do not enter this information, a paper check will be sent to the "present home address" you entered at the top of the form. If you want a paper check sent to an address outside of the United States, enter the address in item 23e.

- Line 25 (Form 1040NR, Line 73). If line 17 is more than line 21, enter the difference of the entries for lines 17 and 21. Your tax payment (withholding) is less than the tax on your income; you owe additional taxes. Send a check for this amount to the Internal Revenue Service with your tax return. Make the check payable to "United States Treasury."
- "Sign Here." Sign and date your form, and enter your occupation as "Student."
