David Lindsey's Royal Entertainment has been providing only the best in music and entertainment since 1946. We take pride in the professional quality of our entertainers and musicians, our friendly service, and the exceptional value our bands and acts represent.

We provide entertainment for all types of events – corporate dinner/dances, summer outings, after-dinner shows, reunions, children's parties...

If your function calls for music, we have the best bands and disc jockeys in New England.

Having a small party? We'll be happy to arrange a solo pianist, a belly dancer, or a clown or magician for a child's birthday party.

Having a big event? We have provided groups as large as a forty-piece orchestra to back artists such as Ray Charles, Johnny Mathis, Vanessa Williams, Rita Moreno, Mel Torme, the Coasters, Marvin Hamlisch, Maureen McGovern, and the Drifters.

Don't see what you're looking for? Give us a call. We may have what you need, and if not, and we'll do our best to find it for you!

The following are just some of the bands and entertainers that we represent. We also have disc jockeys, photographers, massage therapists, living statues...
