Getting Started

Where can I learn about the student health insurance plan (SHIP)?

Visit gallagherstudent.com/amherst.

Enrolling in My SHIP

Am I eligible for student health insurance?

All students registered for at least 75% of full-time credits are automatically enrolled in and billed for the SHIP, unless proof of comparable coverage is furnished. International students are enrolled on a mandatory basis.

All other students enrolled at the College are eligible to enroll in the SHIP on a voluntary basis.

Students on an approved Medical Leave of Absence, who have been previously insured under the SHIP for at least one year prior to the Medical Leave, are eligible to enroll in the SHIP for a maximum of two consecutive semesters.

Students who waive in the Fall who are going on Study Abroad for spring can be enrolled in spring/summer coverage by contacting the Controller's Office at Amherst.

Once you meet eligibility for the first 31 days from the effective date of your plan, you will be enrolled for the remainder of the coverage period. Home-study, correspondence and online courses do not fulfill this requirement.

How do I login to enroll or waive (opt out) of SHIP?

1. Visit gallagherstudent.com/amherst.
2. Under "Profile," enter your student email address and click "Log In."

First-time users: An email from Gallagher Student Health will be sent to your student email with a temporary password. Click on the link provided in the email and insert the temporary password. (If you did not receive a temporary password, you can choose the "Forgot your password?" option on the login page.)

How do I enroll?

1. Go to gallagherstudent.com/amherst.
2. Login under "Profile."
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under "My Coverage Options."
4. Click on the "Enroll" button under "Plan Summary."
5. Complete and submit the form by following the instructions.
6. Enrollment confirmation email will be sent.

How do I enroll my dependents?

1. Go to gallagherstudent.com/amherst.
2. Login under "Profile."
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under "My Coverage Options."
4. Click on the "Enroll" button under "Plan Summary."
5. Follow the instructions to complete the form to enter and enroll your "dependent spouse/partner" and/or "dependent children."
6. Enrollment confirmation email will be sent.
7. You will receive an email with a link to submit payment.

You must purchase dependent insurance for the same coverage period as your own coverage; it can't be for a longer or shorter period than your own. For example, if you enroll for fall coverage, your dependents need to be enrolled for fall coverage; you wouldn't be able to enroll them for annual coverage. If you enroll for fall coverage and do not enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

Note: *If enrolling a dependent for the first time in SHIP, documentation needs to be uploaded at the time of submission. For example, a marriage certificate for a dependent spouse or birth certificate for a dependent child.*

Am I eligible to waive?

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements.

Waiver requirements include being enrolled in an active health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), where you are covered from August 15, 2023 through August 14, 2024.

Please read thoroughly the Important Considerations text that appears before the waiver form. You must check off the attestation box in order to submit your waiver. Please note: In waiving the student health insurance plan, you are acknowledging Amherst College will not be liable for any costs of medical care that you receive, whether or not covered by your insurance plan.

How do I waive health insurance coverage?

1. Go to gallagherstudent.com/amherst.
2. Login under “Profile.”
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under “My Coverage Options.”
4. Click on the “Waive” button under “Plan Summary.”
5. You will need your health insurance information.
6. Follow the instructions to complete the form.
7. A reference number will be emailed upon submission; however, final determination may take 24–48 hours.

Note: Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

Will you audit or verify my waiver request?

Yes, we will verify that your alternative insurance coverage is active and will cover you from 8/15/2023 through 8/14/2024.

Please note: It is **YOUR** responsibility to confirm your alternative insurance will properly cover you while on campus in MA for both non-emergency and emergency care, including mental/behavioral health. Amherst College will not be responsible for any medical expenses you incur.

Can I cancel my waiver form after I’ve submitted it?

Yes, but only if it's before your waiver/enrollment deadline of August 4, 2023.

1. Go to gallagherstudent.com/amherst.
2. Login under “Profile.”
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under “My Coverage Options.”
4. Navigate to “Account Details.”
5. Select the “Click Here to Rescind Your Waiver” link.

6. Click “Rescind My Waiver.”

Note: Once waiver is rescinded, this action cannot be reversed. You may not edit your form after August 4, 2023.

If I waive, but then lose my coverage, can I enroll in SHIP or enroll my dependents if they lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

To initiate the Qualifying Life Event process:

1. Go to gallagherstudent.com/amherst.
2. Login under “Profile.”
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under “My Coverage Options.”
4. Click on “Enroll-Qualifying Life Event.”
5. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

Note: Read the form carefully as it contains very specific information on the Qualifying Life Event process.

If your enrollment in SHIP is on a voluntary basis, there is no option for the Qualifying Life Event process if you lose coverage with your current health insurance plan.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination — and a pro-rated premium refund/credit — in the following situations:

- You're entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children's Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).

If you meet any of the criteria outlined above you may submit a request terminate coverage. Requests need to be submitted to Gallagher Student Health & Special Risk **no later than the last day of fall coverage.**

To Terminate Coverage –

1. Go to gallagherstudent.com/amherst.
2. Login under "Profile."
3. Once logged into your Gallagher account, select the 2023-2024 student health insurance plan link under "My Coverage Options."
4. Navigate to "Account Details" under "Plan Summary," click the "Terminate Coverage" link.
5. Complete the termination form, choosing your appropriate termination reason.
6. Some selections, like "alternate coverage," will prompt you to provide alternate insurance information.
7. Submit the form.

About My Benefits

What do my benefits include?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and X-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other injury.

It covers preventive care services at no cost when you use in-network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

How can I get more information about my plan?

How much does my student health insurance cost?

	Annual (08/15/2023–08/14/2024)	Spring/Summer (01/05/2024–08/14/2024)
Enrollment/Waiver Deadline	August 4, 2023	January 5, 2024

One Dependent	\$2,934	\$1,712
All Dependents	\$11,713	\$6,833

Have changes been made to this year's plan?

Here are the changes made for the 2023–2024 Policy Year:

- In-patient copay was increased from \$250 to \$500 in-network

Am I still covered if I live off campus? While traveling? When studying abroad?

With Travel Assistance:

Yes, your plan covers you wherever you are. If you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24-hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact GeoBlue (please see page 10 for more information) before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
