Reflecting on your interests

What has been your favorite class in high school or at Amherst College? What did you like about it?

What are some of your non-academic interests/hobbies? What do you do for fun?

What do you dislike doing or do out of obligation?

What social, political, environmental, or any other issues are important to you? How do you participate in these issues?

What books or magazines do you enjoy reading? What section of the newspaper do you turn to first? What kinds of information do you find most fascinating?

When you were little, what did you want to be when you grew up? What were your influences?
What did you like to spend your time doing as a child? Do you still enjoy doing this activity?

What is something you want to make sure to do in your lifetime?

What are you doing when you feel most like yourself or when you simply lose track of time?
