**Amherst BioNews Monthly Newsletter - September 2018 edition**

Greetings biology folk,

It's time for another edition of our monthly newsletter with all that's happening and exciting in the Amherst College Biology Department!

**~~NEWS~~**

- The Biology labs and offices are in the new science center and our [Faculty and Staff Webpages](#) are up to date with locations!
- Remember to check out the [Science at Amherst Facebook page](#) for photos.
- This Friday from 3-5 PM is the [Summer Research Poster Session](#) in the science center, come checkout your classmates' posters and enjoy some food and drinks!
- We have some great seminars this semester, keep checking the [Biology Seminars & Events webpage](#) for details.
- For other upcoming events on campus, keep an eye on the [Amherst Events Calendar](#).

Best wishes for a great September and stay tuned for another edition next month.  
-the Biology Department

Have something Department-related to share in the next newsletter? Please email Joe Trapani
