Class of 1996

Dear Class of 1996!

Can you believe we graduated from Amherst 20 years ago? We hope you'll set aside May 25-29, 2016 to return to Amherst to celebrate our 20th with the people who knew you when. **Registration is now open!**

Reunion headquarters: Morris Pratt Dormitory/Pratt Circle.

Fees: $175 for alumni; $96 for guests ages 16 and over; $10 for children ages 4 through 15. There is no charge for children under 4. (If these fees are a financial hardship for you, please contact us.)

If you're interested in on-campus housing, we suggest making your reservations as soon as possible, as there is major construction on campus and not as many rooms as usual are available for alumni housing. If you prefer to stay off campus, **local lodging options are listed here.**

For those with children, there is a school-wide **children's reunion evening program** available on Friday and Saturday nights (for ages 4 and up; 5-10pm at the Keefe Campus Center).

Register for all of the above at [amherst.edu/go/reunion](http://amherst.edu/go/reunion).
Here is a quick rundown of some of our class activities:

- **Friday, May 27** - We will be hosting a delicious dinner on Friday night in our class tent as people arrive. (Rumor has it that dinner may involve Antonio’s.)
- **Saturday, May 28** - Fuel up for the day by joining your classmates for a casual breakfast at our headquarters. As usual, there will be reunion programs all day and activities for families and kids. We are coordinating with the class of 2001 on children’s activities (e.g., bouncy house, magician, face painting). Saturday night we will be having yet another festive dinner. We're still working out details for Saturday night entertainment.
- **Sunday, May 29** - Bid farewell to classmates and the Fairest College with a continental breakfast and plenty of coffee.

**Learn more about reunion in general and register now!**

Now, finally a few requests:

Program Ideas: Do you have insights, ideas or experiences that you’d like to share as part of reunion programs? Do you have a friend to recommend or a topic you'd like to hear about? These are due on March 1, and we could use some ideas and help. Please reach out to **Mirissa Neff**.

Reunion Planning: Everyone is welcome to join in the reunion-planning fun! Let Bethany or Kwame know if you'd like to be involved: **Bethany.Fouollois@lnkpartners.com** or **kwamesb@gmail.com**. We promise lots of laughter and witty banter.

Slideshow: Who doesn't love a slideshow of the good old times? Get out those shoeboxes, scan your best TAP moments, and email photos (old or new) of classmates to **Bethany**.

Register for reunion: **amherst.edu/go/reunion**
Get updates on our class Facebook page: **facebook.com/groups/62639703244**

Best wishes for a great 2016. On behalf of the reunion committee, we look forward to seeing you in May!

Bethany and Kwame
