**Note on the vocab tests:**

As we discussed last Thursday, this chapter we are experimenting with the format of vocabulary quizzes. Instead of two or three large vocabulary quizzes, we'll have several smaller ones. We'll have a quiz almost every class. You will need to study the words in a particular set or sets as they are on the this website

<http://s167926134.onlinehome.us/live-from-russia-ed-2/> - you can find this link on the website under "Links"). Each set comprises 10 words. Each quiz will have 5 words.

**List of additional assignments** (you need to do at least 3 in the course of two weeks).

This list is also available online under "Assignments"
