

Written Test #2

Date: Friday, March 4, 2011

Time: 50 minutes (at the section you have signed-up for)

Place: Webster 101

Chapter: Stage 1-6

Format: Writing only (no listening or speaking section in this test).

The test consists of the following 4 sections.

- (1) Translation
- (2) Questions and answers
- (3) Sentence completion
- (4) Kanji recognition

Kanji: <Writing>

You are expected to use Kanji that you have already learned. No penalty will be given for mistakes on those kanji, but points will be deducted if you did not use those kanji.

If you use Kanji that you have not learned yet in class, you should provide ふりがな 振り仮名 to indicate that you know the correct reading. If ふりがな 振り仮名 is not provided, points will be deducted.

<Reading>

In the section (4), you will be asked to read kanji, including ones that you have not yet learned to write but have read in class. To prepare, practice reading the email messages by Brown-san and Yamada-san without ふりがな 振り仮名 in #8 and #11 (WB, pp.185). You should also understand the meaning of the messages.

There is an optional section in this test. It is strongly suggested that you work on the required sections first. You will not lose any points even if you do not work on the optional section at all, but will lose points if you leave any of the required sections blank.
