

AMHERST COLLEGE
Geology 29: Structural Geology
Reading List
Fall 2009

During the semester, all of Davis and Reynolds (D&R) Chapters 1-4 and 6-9 (except p. 67-97; 190-202; 448-456; 473-492; 509-515) will be assigned. The reading assignments listed below jump through the book, but on a day by day basis correspond to the lectures.

You will find it easier to read the chapters in the order assigned below, but to read each chapter from start to finish in the order that it is written.
