

Correction codes

We ask each student to correct the mistakes in his or her work. We put a circle around the letter or word that we want you to correct. The following is a list of the notation we use:

P = use a particle here or a wrong particle

W = wrong word

K = write it in Kanji or wrong Kanji

L = wrong letter

SP = wrong spelling

S = write smaller (such words as きょう)

WP = wrong punctuation

Missing elements (letter, word, or punctuation) are indicated in the following way:
