STUDENT INCOME CONTRIBUTION APPEAL

AMHERST COLLEGE                 Academic Year 2016-17
Office of Financial Aid

Name ______________________________________________ Class __________________

If you cannot meet your expected student income contribution because of a shortfall in your
income and you want us to review your financial aid award, please answer the following
questions.

1. Did you live at home during the summer of 2016? __________

2. If not, where (city, state) did you live? __________________________________________

3. Why are you unable to meet your student income contribution?

4. Please provide the following income and expense figures.

<table>
<thead>
<tr>
<th>INCOME</th>
<th>EXPENSES</th>
<th>Summer</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gross income from all sources – wages,</td>
<td>Housing</td>
<td>$______</td>
</tr>
</tbody>
</table>
| fellowships, stipends, and other support    | Food                                          | _______
| and compensation (including room and board  | Transportation (work-related)                 | _______
| away from home)                             | Personal                                      | _______
|                                              | Other (specify)                               | _______
|                                              |                                               | _______
|                                              | **TOTAL**                                     | $______|

You can make up a shortfall in earnings from summer employment with **student loan, term-
time employment, or a combination of the two**. If it is possible to make an adjustment in your
student income contribution, how do you want us to adjust your financial aid award? (Please
check appropriate box(es) and enter amount(s).

Increased Loan: $______
Increased Employment: $______

Signature _____________________________________________ Date _______________

Note that once in four years at Amherst you may petition for replacement of unrealized student
income contribution with scholarship aid, if you were engaged in an unpaid internship or
community service activity with **no wages, fellowship, stipend, or other support or
compensation**.
