**Chairmen:** Kevin Lutz and Alexis Jaramillo

## Discussions Brought up During this Meeting:

- Possible Tango Weekend?
  - Invite Guest Stars from NY and around the area
  - We would need to find money.. \$2,500 should do it
  - Invite other college Tango clubs (Yale, BU, Harvard)
  - We need to figure out a space, Holden Theater was mentioned as a possibility.
  - We would need to coordinate with the tech department
  - (Very) tentative date: Second week of December (10th, 11th)
- Money Matters
  - Budget is officially due October 14th
    - Officially, but according to Dave the Senate is behind on their duties, so not really.
- Lesson Timing
  - The use of the first hour for “advanced” training and the second for teacher training was brought up
- Calendar Issues
  - Instead of including specific dates, send out a calendar with generic “Friday” etc. to club members
- Leslie is no longer with us.
  - She had too much going on
    - You will be missed!
    - If you ever find the time, come back and dance with us!
- Promotional Material
  - Table tents – 3, 4 times a semester
  - Possible “Business Card” of a sort, a postcard-sized piece of promotional material that doesn’t mention dates so it can be reused
    - Order a bunch at once if we decide to go forth and purchase
