

# 7 COLLEGE

## VIRTUAL STUDY AWAY FAIR

FALL 2020

---

1

### **Create your SCHED account**

After registering via the Google Form, you'll receive an email from our fair platform, SCHED, to create your attendee account. On SCHED, you can browse the full fair schedule, visit exhibitors, and view pre-recorded and live information sessions.

2

### **Complete your profile**

On SCHED, complete your profile with as much (or as little) information as you'd like. You don't need to link any social media accounts, or have your profile visible to others in order to attend sessions or meet with exhibitors.

3

### **Build your schedule**

Select both the sessions and panels you'd like to attend live, as well as the pre-recorded sessions you can watch at any time.

The Exhibitors Page & Static Sessions are available at any time, while Live Information Sessions & Panel Sessions will stream at a specific time via Zoom (linked in the session description).

## 4

### Visit the Exhibitors

Exhibitors are the programs and institutions that provide study away opportunities. Learn more about each program on their Exhibitor Page.

Note: Featured Exhibitors will have live drop-in hours on the day of the fair.

## 5

### Research your options

The GEO Sponsor Page is your hub for all Amherst-specific information. Check out our linked resources on approved programs, finances, policies, exchange programs, etc.

#### **Please Keep in Mind:**

Not all exhibitors attending the virtual fair are approved programs through Amherst. Please check the AC Travel Registry for the full list of approved programs.

**Questions? Contact us at [geo@amherst.edu](mailto:geo@amherst.edu)**
