

Pune, India

Unique Features

- **FLAME describes Pune as "the Oxford of the East" as the city is a major educational hub.**
- **Pune is home to the Film and Television Institute and attracts many artists, musicians, and dancers.**
- **Liberal arts is new to India and these schools have an entrepreneurial spirit.**
- **Students can participate in the Discover India Program by joining one of the yearlong FLAME student groups in a research project on an aspect of India's rich cultural history.**
- **FLAME has a new residential campus, which is located ~30-45 minutes from the city center.**
- **Questions? Email geo@amherst.edu**

FLAME University Semester Exchange

Academics & Eligibility:

A full range of liberal arts courses in the social sciences, visual and performing arts, the humanities, and some STEM fields (applied math, environmental studies, and computer science). Visit [academic department pages](#) for more information. At the time of participation, students must be juniors with a >2.75 GPA.

Housing and Meals:

Students live in on campus in a residence hall alongside local students. All meals may be taken in one of FLAME's cafeterias around campus. Visit campus virtually [here](#).

Dates: *Fall 2023: mid-Aug to mid-Dec (exact dates TBD)*

Finances:

Fees:

- Amherst's comprehensive fee for tuition, room, and board
- Amherst Student Health Insurance (waivable)
