The Loeb Center's mission is to educate and empower students to reflect, explore, experiment and take action to achieve their personal, professional and academic goals.

Signature Programs

Amherst Careers In — Seven dynamic programs in Arts and Communication, Business and Finance, Education Professions, Government and Nonprofit, Health Professions, Law, and Science and Technology. Each provides personalized career advising, focused skill-building workshops, interaction with alumni and potential employers, and experiential activities. Participating students gain real-world professional skills necessary to compete successfully for industry-specific internships and jobs.

Careers In Treks — Treks are a new opportunity for students to explore the wide range of meaningful work associated with Careers In industries. Loeb Center advisors and groups of 10–14 students embark on week long immersion experiences, visiting alumni and other leaders working on issues pertinent to the field. Recent Trek programs have explored entertainment (both the creative and business sides), philanthropy, education, government and nonprofit, and finance.

Pathways — An alumni-student mentoring program with an online platform which provides opportunities for alumni and students to engage in mentor-mentee partnerships.

Amherst Select Internship Program — This program provides Amherst students with crafted internship positions hosted by Amherst alumni and friends that offer them real-world professional experiences to challenge them to expand their skill sets, discover new talents and interests and cultivate new relationships. Amherst Select interns also come with the backing and support of a dedicated college staff member who serves as a professional coach and liaison.

The Amherst Advantage Recruiting Program — Amherst, Smith, and Mount Holyoke Colleges together provide students with access to internship and job postings, career fairs, résumé collections, and on-campus interviews.
