Just how well do you know your Amherst alumni?

Can you name these three alumni and the recent Amherst program they took part in?

Amherst Fund Volunteer Update

Happy 2019!

I hope your new year is off to a great start! It’s cold here in Amherst, but there’s no snow yet (or students at the moment—they’re on their way back at the end of the week).

The Amherst Fund had a great end to the calendar year because of your help. Our trivia-themed emails went well, and a lot of people participated (and won prizes!). Thank you for reaching out to December donors!

We’re in the process of preparing for our giving day, #For Amherst. This year, it’s April 18, and we’re excited about turning it into an all-campus event. Stayed tuned for more details, but please put it on your calendar now.

Stay warm this month and spread the warmth to all your favorite non-donors. Now’s a great time to reach out to people on your list to wish them a happy New Year’s and to ask them to consider a gift. As always, thank you for your generosity in every way.

Go Amherst!

Best,

Traci

Director of the Amherst Fund

Amherst Fund Goals

Last December, we had the best end to the calendar year we’ve had at Amherst. And this year, we surpassed that by just a bit, which is great (and because of you). We are 19 alumni donors ahead, and up $147,697.

You can find your class goal on ClassLink, which provides specifics numbers for your class. Every donor makes a difference—don’t forget that each call you make, each email or text you send gets us one step closer.
Irradient Society and Recurring Giving

This month, we’re working on increasing the number of monthly and annual recurring donors to the Amherst Fund. As part of that, we’re sending two versions of an appeal to fall donors and to non-donors, who are more likely to give by mail. There will be a follow-up email to everyone in that group, as well as to those alumni who give online. Those alumni who make a recurring gift will receive a set of laptop stickers (trust me, they’re kind of awesome, and thanks to Rhea Mallett ’86 for the A and C key idea!).
