PROJECT NOTIFICATION

Newport Dormitory
Kitchen Upgrades

Date Issued: December 22, 2015

AREAS IMPACTED: Newport Dorm – Kitchen

General description of impact: Contractors will be replacing the cabinets and countertops as well as performing other improvements such as painting and replacing the flooring within the kitchen area. Due to the impact of this work, the kitchen area will be closed throughout most of the work period. Towards the end of the work, the kitchen will reopen with a temporary sink and counter in place to allow time for fabrication of the final countertop. Fabrication will take about 10 days and installing will take just one day.

During the work, noise, dust and some odors associated with normal renovation will be expected. This will be greater earlier in the project due to demolition.

Start Date: Thursday, January 7, 2016
Finish Date: Friday, January 29, 2016
Time: (9:00AM – 5:00 PM)

Your cooperation is greatly appreciated.
If you have any questions please call the Service Center, x2254.
