POWER DIALOG 4.4.16

Monday, April 4th @ 6PM
Paino Lecture Hall, Beneski

The Power Dialog is a nation-wide effort to support students engaging face-to-face with state and local officials on efforts to meet the US climate commitment. This is an opportunity for students to hear firsthand how climate change is being addressed in Massachusetts and for their voices to be heard by our legislators.

Featured Panelists:

Stephanie Ciccarello - Amherst Town Sustainability Coordinator
Ben Downing - Massachusetts State Senator
Jordan Garfinkle - Massachusetts Department of Environmental Protection

Co-sponsored by the Office of Environmental Sustainability, the Environmental Studies Department, and the Green Amherst Project.
