PROJECT NOTIFICATION

UPDATE-Frost Library Cooling Tower Upgrades

Date Issued: November 12, 2018

Description of Work & Impact

Beginning on Tuesday, November 20th and continuing through Wednesday, November 21st, contractors will have a crane parked on the north side of Frost Library to facilitate the work they are doing on the cooling tower. There will be a dumpster parked near the loading dock from Tuesday, November 20th until Friday, November 23rd, as well.

Accessibility Impact: The crane will be parked in the middle of Webster Circle and there will be no through traffic or parking on Webster Circle. Parking for Grosvenor and Music will be unaffected.

Date of Work: November 20, 2018 - November 21, 2018
Time of Work: 7:00AM - 3:30PM
