## **The 'Dialectic of Enlightenment'** ***Revisited***

**Tuesday, January 30, 2018, 6pm**

**Fayerweather Hall, Pruyne Lecture Hall (Amherst College)**

Aschheim critically interrogates Adorno and Horkheimer's 1944 much admired *"Dialectic of Enlightenment"*, addressing its contextual and ideological origins, its philosophical biases and theoretical assumptions.

Supported by the Eastman and the Lamont Lecture Funds, and by the departments of History, English, and German.
